DETAILED ACTION

Priority

1. The foreign priority claim filed on 8/20/10 was not entered because the foreign priority claim was not filed during the time period set forth in 37 CFR 1.55(a)(1).

More specifically, the Application Data Sheet filed on 8/20/10 includes a claim to foreign priority (See page 3 of the Application Data Sheet where the 'yes' box is checked off regarding a claim for foreign priority). Since no specific foreign application has been listed on this Application Data Sheet and since no previous claim to any foreign priority has been made in regards to this application, it appears that the 'yes' box under the foreign priority section of the Application Data Sheet may have been accidentally checked off by a typo. It is recommended that a new Application Data Sheet be filed to correct this typo.

For original applications filed under 35 U.S.C. 111(a) (other than a design application) on or after November 29, 2000, the time period is during the pendency of the application and within the later of four months from the actual filing date of the application or sixteen months from the filing date of the prior foreign application. For applications that have entered national stage from an international application filed on or after November 29, 2000, after compliance with 35 U.S.C. 371, the claim for priority must be made during the pendency of the application and within the time limit set forth in the PCT and the Regulations under the PCT. See 37 CFR 1.55(a)(1)(ii). If applicant

Art Unit: 2461

desires priority under 35 U.S.C. 119(a)-(d), (f) or 365(a) based upon a prior foreign application, applicant must file a petition for an unintentionally delayed priority claim (37 CFR 1.55(c)). The petition must be accompanied by (1) the claim (i.e., the claim required by 35 U.S.C. 119(a)-(d) and (f) and 37 CFR 1.55) for priority to the prior foreign application, unless previously submitted; (2) a surcharge under 37 CFR 1.17(t); and (3) a statement that the entire delay between the date the claim was due under 37 CFR 1.55(a)(1) and the date the claim was filed was unintentional. The Director may require additional information where there is a question whether the delay was unintentional. The petition should be addressed to: Mail Stop Petition, Commissioner for Patents, P.O. Box 1450, Alexandria, Virginia 22313-1450.
